

# PEER SUPPORT GROUP!

---

SUPPORT  
GROUP FOR  
ANYONE  
LIVING WITH  
ANY TYPE OF  
DISABILITY

---

A core service at SILO is peer support! Through peer support, people with disabilities can find a safe place to share their concerns and solve problems about everyday issues that affect their lives.

Join us to connect with peers, make new friends, ask questions, listen and interact with guest speakers, and share life experiences.
