## Mission of The Council

*The mission of the Suffolk  
County Rehabilitation Council  
is to promote the rights of  
individuals with disabilities  
and to assist them to maximize  
their potential within society.*

*The Council accomplishes this  
by facilitating opportunities through  
educational and professional  
training to  
promote and encourage  
quality services.*

*The Council  
is dedicated to keeping the  
members current on  
significant trends, issues  
and developments  
in rehabilitation.*
